

Dear Friends of the NMHBA,

The New Mexico Hispanic Bar Association (NMHBA) and the New Mexico Hispanic Bar Association Foundation (NMHBAF) seek your support to raise funds for the NMHBA's educational, scholarship and mentorship programs. The 16th Annual Holiday Fundraiser will take place on December 2, 2016 at the Hyatt Regency Albuquerque. This year's event features an Office Christmas Party theme with a live performance by the Mystic Vic Blues Band.

Even though all 300 raffle tickets were sold last year, the NMHBA has decided to maintain the 300 raffle tickets limit. Attendance through sponsorship opportunities will continue, to allow those individuals who don't purchase a raffle ticket to attend the event.

While we have made tremendous strides in recent years, the legal profession remains one of the least diverse professions in the country, falling behind physicians, engineers and accountants. With the changes to the bar exam in recent years, the NMHBA has continued to champion admittance into the New Mexico Bar. Since its founding in 1978, the NMHBA has been comprised of volunteer attorneys committed to increasing the diversity of the legal profession through its support of Hispanic legal professionals and students.

The NMHBA's support begins as early as middle school through its Summer Law Camp program, continues through high school with its statewide high school outreach initiative and extends to law school through its mentorship and scholarship programs. Indeed, the scholarship program is one of the NMHBA's flagship programs, awarding tens of thousands of dollars each year to deserving law students. Scholarships include partial tuition scholarships for one first year law student, as well as scholarships to help offset the cost of text books and the bar exam.

Please become a sponsor of our 2016 Holiday Fundraiser to help ensure the continued success of the NMHBA's initiatives. Your sponsorship goes a long way toward enhancing the diversity of the legal profession in our state.

Sincerely,

Damian R. Lara
